## **The Teller** Jonathan Stone

Twenty-three-year-old Elaine Kelly doesn't earn much as a bank teller, and most of her salary goes toward caring for her terminally ill mother. When a lonely old man who deposits money at her bank every week gets hit and killed by a delivery truck, Elaine—a good Irish girl from Queens—thinks she's found the answer to her problems. She'll just transfer \$1 million from the dead man's account into hers.

Except that the lonely old man may not have been who he seemed. And when you take \$1 million that isn't yours, it can cost you...way more.

Acclaimed author Jonathan Stone's pulse-pounding thriller takes readers from the darkest corners of New York's financial empire into a shadowy hierarchy of wealth and power. *The Teller* follows the money—and takes readers along for the wild ride.

**Revised edition: This edition of *The Teller* includes editorial revisions.**
