War Games

Audrey Couloumbis, Akila Couloumbis

War Games Audrey Couloumbis, Akila Couloumbis

1941. Greece. For 12-year-old Petros, World War II feels far away. But when the Germans invade Greece, the war is suddenly impossibly close. Overnight, neighbors become enemies. People begin to keep secrets (Petros's family most of all). And for the first time, Petros has the chance to prove himself to his older brother, Zola. Soon what were once just boys' games become matters of life and death as Petros and Zola each wonder if, like their Resistance fighter cousin, they too can make a difference. Based on the true story of Akila Couloumbis's wartime boyhood, Newbery Honor winner Audrey Couloumbis, writing with her husband Akila, explores what it was like coming of age in Nazi occupied Greece, and tells a story of family, friendship, and unlikely heroes.

From reader reviews:

James Nadler:

War Games can be one of your beginning books that are good idea. We all recommend that straight away because this book has good vocabulary that could increase your knowledge in language, easy to understand, bit entertaining but delivering the information. The author giving his/her effort to get every word into satisfaction arrangement in writing War Games although doesn't forget the main level, giving the reader the hottest in addition to based confirm resource data that maybe you can be one of it. This great information can certainly drawn you into completely new stage of crucial contemplating.

Barbara Fontenot:

Your reading 6th sense will not betray a person, why because this War Games e-book written by well-known writer whose to say well how to make book that may be understand by anyone who have read the book. Written with good manner for you, dripping every ideas and producing skill only for eliminate your current hunger then you still doubt War Games as good book not just by the cover but also by the content. This is one reserve that can break don't assess book by its include, so do you still needing a different sixth sense to pick this particular!? Oh come on your reading sixth sense already alerted you so why you have to listening to an additional sixth sense.

Eddie Patten:

You are able to spend your free time to see this book this publication. This War Games is simple to create you can read it in the recreation area, in the beach, train and also soon. If you did not have much space to bring the printed book, you can buy the e-book. It is make you much easier to read it. You can save typically the book in your smart phone. So there are a lot of benefits that you will get when one buys this book.

Victoria Austin:

Is it an individual who having spare time after that spend it whole day by means of watching television programs or just resting on the bed? Do you need something new? This War Games can be the response, oh how comes? A book you know. You are so out of date, spending your extra time by reading in this brand new era is common not a nerd activity. So what these ebooks have than the others?
