Delicia Thorn's BDSM Series

After a strict upbringing in the church, Michelle has turned her back on the *carnal pleasures of the world*. Her best friend Julia lives the wild life, but she is content with being active in her women's ministry and acting as a councilor to lost souls.

Only when Allan walks through the church doors is she introduced to the worldly desires of the flesh and the compulsion of men to dominate women. Once disgusted by the thought of being submitted to a man's sexual demons, she is forcefully convinced that the rod and the staff can bring immense pleasure.

As she becomes entrapped by the serpent she realizes she isn't in a position to cast stones.
