Mail Call

R. Lee Ermey

Mail Call R. Lee Ermey

Keep your butt down and your ears up, people, 'cause here comes a tie-in to the hit History Channel show, featuring outrageous host R. Lee Ermey, who answers questions about military technology -- past, present, and future.

Now in its fourth season, *Mail Call* is the most popular program on the History Channel and the only show in America where the host has a bazooka and knows how to use it! In this tie-in book, just as on the show, R. Lee Ermey -- in his singular, in-your-face style -- provides entertaining and little-known facts about the vast arsenal of deadly hardware used by the armed forces. *Mail Call* is filled with historical anecdotes, interesting factoids, quotes from top military experts, and much more.

This book is sure to appeal not only to military nuts and "gear heads," which is a very sizable audience in itself, but also to garden-variety history buffs; Ermey's repertoire runs the historical gamut from ancient catapults to Samurai swords to Civil War cannons to modern grenade launchers.
