Malik is trying to get used to his new life as a Muslim, but he's surrounded by temptation and doesn't know how to handle it. He's about to discover that some Muslims have some curious ideas about sin and giving in to temptation, and learns that a little time on the downlow can prevent a world of sin later.

This is an outrageous tale of macho alpha males getting their rocks off without women, and it's full of so much man-on-man action you'll consider converting!
