## Rust: A Beginner's Guide

Among one of the more prolific fan tribute games that are occasionally released in the market, Rust is an MMO open world, first person, survival shooter game that draws inspiration from Minecraft, STALKER and DayZ. Rust was created by Facepunch Studios, a creative group of individuals who wanted an alternative to DayZ, which they found rather frustrating to play.

This ebook is the complete beginner's guide to the game. It will walk you through all of the basics of getting started, progressing, and reaching endgame. Tips and tricks are frequent, and by the end of the ebook, you'll pretty much be a Rust pro. Also present in the book:

- \*Strategies for gathering blueprints and research kits
- \*Guide to in-game resources
- \*Overview of food, hunger and health
- \*Guide to in-game status effects and how to change them
- \*Strategies and weapons tips for hunting each type of wild life and the resources they yield
- \*Detailed strategy guide on weapons and tools
- \*Detailed strategy guide on armor and other weapons
- \*Guide to medical equipment and the various loot chests in-game
- \*Strategies for building your first home and tips for making it raid proof against other players

Good luck!

Having Rust: A Beginner's Guide in your hand like having the world in your arm, facts in it is not ridiculous one. We can say that no e-book that offer you world within ten or fifteen moment right but this book already do that. So , this really is good reading book. Hey there Mr. and Mrs. hectic do you still doubt this?

#### Susan Arnold:

As a student exactly feel bored to be able to reading. If their teacher expected them to go to the library in order to make summary for some guide, they are complained. Just small students that has reading's spirit or real their interest. They just do what the professor want, like asked to the library. They go to generally there but nothing reading critically. Any students feel that reading is not important, boring and can't see colorful pictures on there. Yeah, it is being complicated. Book is very important to suit your needs. As we know that on this time, many ways to get whatever we wish. Likewise word says, many ways to reach Chinese's country. So , this Rust: A Beginner's Guide can make you experience more interested to read.
