The Huntsman's Tale Shiromi Arserio

Looking back over the events of my life, I tried to be an honourable man. I did everything I could to feed my wife and daughter, even when winter was at its bleakest. I tried to keep them safe. Before I met Vala, that was my only goal in life.

One moment, one mistake, was all it took to change everything. If I hadn't left the safety of the Black Forest and wandered on to the royal hunting grounds that day. If I hadn't been caught. But I was, and Vala came into my life. The most evil influence I have ever known came to me that day, in the guise of a beautiful woman.

Why didn't I sense her corrosive nature? Instead I was flattered that she liked spending time with me. I didn't even realise I was lonely until I met her. We embarked on an affair which seems silly to even think about now. We had no future. She, betrothed to the king, me a huntsman with a wife and daughter.

She made sure my family was safe and fed, and in return she asked for my loyalty. I happily gave it to her, until that day, when she asked me to do the one thing I could never do. She told me to murder a girl. Then everything was ruined.

My wife and daughter are long gone. Vala punished them for my disobedience. Not that I escaped my evil queen's wrath. The curse she laid on me ensured she would forever haunt me. Even as her dark actions faded into fairy tale, I would be forever reminded of her. Forever. What a long time that is...

Dark and haunting, The Huntsman's Tale is a retelling of the familiar Snow White fairy tale, told from the point of view of the huntsman who refused to murder a young girl, and was cursed by an evil queen.

Length: 23 pages

From reader reviews:

Carrie Rivas:

What do you concentrate on book? It is just for students since they are still students or the idea for all people in the world, what best subject for that? Just simply you can be answered for that query above. Every person has several personality and hobby per other. Don't to be compelled someone or something that they don't would like do that. You must know how great in addition to important the book The Huntsman's Tale. All type of book can you see on many resources. You can look for the internet methods or other social media.

John Newton:

Reading a publication can be one of a lot of exercise that everyone in the world loves. Do you like reading book thus. There are a lot of reasons why people fantastic. First reading a guide will give you a lot of new facts. When you read a publication you will get new information mainly because book is one of many ways to share the information as well as their idea. Second, looking at a book will make you more imaginative. When you reading a book especially hype book the author will bring someone to imagine the story how the people do it anything. Third, you could share your knowledge to other individuals. When you read this The Huntsman's Tale, it is possible to tells your family, friends and also soon about yours reserve. Your knowledge can inspire the mediocre, make them reading a reserve.

Elizabeth Johannes:

Your reading sixth sense will not betray you actually, why because this The Huntsman's Tale guide written by well-known writer who knows well how to make book which might be understand by anyone who have read the book. Written in good manner for you, dripping every ideas and publishing skill only for eliminate your own hunger then you still skepticism The Huntsman's Tale as good book but not only by the cover but also by the content. This is one book that can break don't judge book by its handle, so do you still needing an additional sixth sense to pick this kind of!? Oh come on your studying sixth sense already alerted you so why you have to listening to another sixth sense.

Todd Robinson:

Are you kind of busy person, only have 10 as well as 15 minute in your moment to upgrading your mind expertise or thinking skill perhaps analytical thinking? Then you have problem with the book when compared with can satisfy your short period of time to read it because all this time you only find guide that need more time to be learn. The Huntsman's Tale can be your answer since it can be read by you who have those short spare time problems.
