Being a force of nature doesn't keep you safe.

Hunter Garrity is used to watching his back. The kids at school sense something different about him. And they're right.

Hunter has powers that have nothing to do with how hard he can throw a punch.

Maybe that's what Clare Kasten is picking up. She's shy, quiet, and intense, but she's sought him out. There's no telling what she wants from him.

But Hunter knows enough to sense a secret when it's close. And getting close to Clare is a danger he's ready to face. . .
