Obsession versus true love...

Ethan—tall, whip-smart and gorgeous—should be living a dream life. But instead he's in serious trouble.

After splitting with his domineering, philandering alpha and moving across the country to escape his threats, he discovers he is pregnant with his ex's pup. Alone, in a strange town, Ethan is vulnerable and miserable.

When Ethan gets a new job working with Hugh, the dashing young CEO of Performance Consulting, things finally start looking up. Hugh is dedicated, brilliant and caring; he immediately takes notice of his handsome new employee—and Ethan notices him too.

Hugh is everything Ethan has ever wanted in an alpha and they are soon deeply involved. But as time moves on Ethan finds it harder and harder to break the news about his pregnancy. And as the pressure mounts Ethan makes a horrifying discovery—his possessive ex has tracked him down and has made it clear that he will stop at nothing to gain custody of their offspring.

Can Ethan find a way to save himself? Or will he risk it all and hope that Hugh can accept his sordid past and continue to love him—and raise another alpha's pup as his own?

This is a stand alone story with a HEA and no cliffhangers.
