**The Secret Garden: Dawn to Dusk in the Astonishing Hidden World of the Garden** David Bodanis

In a tour de force of science writing, Bodanis takes us through the daylight hours in an ordinary garden and introduces us to a Darwinian epic of survival played out invisibly around us and beneath our feet. The lively text is enhanced by state-of-the-art microphotography as in his acclaimed *The Secret House*, which *The New York Times* called "astounding".
