"Cage of Hands"

"Cage of Hands"

"Cage of Hands" is the true story of the longest running poker game in recorded history. In the last days of the wild west, gambler Dick Clark ran the notorious game for 8 years, 5 months, and 3 days. 'Cage of Hands' allows the modern reader to see the world through the eyes of the infamous gambler. The novel is set in the basement of the Birdcage Theater and below a world peopled by drunken cowboys, brooding gunslingers, hopeless prospectors and dancing girls, the wild and wilting flowers of the old west. This thoroughly researched historical drama, brought to life by Willis, opens up a window into lives ruled by skill as much as chance, by the fall of a card as much as the barrel of a gun. A Must Read!
