Loose Girl: A Memoir of Promiscuity Kerry Cohen

Kerry Cohen's journey from that hopeless place to her current confident and fulfilled existence is both a cautionary tale and a revelation. Loose Girl is Kerry Cohen's captivating memoir about her descent into promiscuity and how she gradually found her way toward real intimacy. The story of addiction--not just to sex, but to male attention--Loose Girl is also the story of a young girl who came to believe that boys and men could give her life meaning. Never less than riveting, Loose Girl re-creates what it feels like to be in that desperate moment when a girl tries to control a boy by handing over her body, when the touch of that boy seems to offer proof of something but ultimately delivers little more than emptiness. The unforgettable story of one young woman who desperately wanted to matter, Loose Girl will speak to countless others with its compassion, understanding, and love.
