It offers shared wisdom and coping strategies from those who have walked before you. It explores the factors leading to suicide and the reasons why some do and some don't leave suicide notes. *Making Peace with Suicide* sheds light on the phenomena of suicide vis-à-vis our teens, the military, new mothers, as an end-of-life choice, and asks if addiction is a form of slow suicide. It provides a seven-step healing process and opens the door to consider suicide and the soul, the heart lesson of suicide, and the energies of suicide. If suicidality has impacted your life, *Making Peace with Suicide* is a must-read. You will be guided through the unknown territory, given insights to allow understanding, stories to help you heal, and ways to make peace with a heart wide-open. *Making Peace with Suicide* is good medicine for the body, mind, and soul.
