## **Project 731 (A Kaiju Thriller)** Jeremy Robinson

WASHINGTON D.C. HAS BEEN DESTROYED In the wake of a Kaiju assault that left the nation's capital in ruins, Jon Hudson, director of the Department of Homeland Security's Fusion Center – Paranormal, is preparing his team for an uncertain future. While hiding Lilly, a chimera cat-girl rescued from Island 731, from GOD—the Genetic Offense Directive, a black ops organization within DARPA—Hudson attempts to raise Maigo, the teenage girl who once was part of Nemesis, the now deceased goddess of vengeance. But the two strange girls can't be protected from what comes next. NEMESIS LIVES Kept in a massive warehouse operated by GOD, Nemesis's body is violated by the Tsuchi, spider-like chimera also developed on Island 731. It spawns Kaiju-sized variations of the deadly creatures and wakes Nemesis from her regenerative slumber. Nemesis, fueled by an unquenchable thirst for vengeance, and now lacking Maigo's conscience, storms after the Tsuchi, which have fled south, toward Los Angeles, and inland...toward GOD's headquarters at Area 51. SACRIFICES MUST BE MADE To stop the infinitely hungry Tsuchi, and the rampaging Nemesis, Hudson and crew must make alliances with enemies, combining personal experience, future technology and bold actions. But for the world to once again be safe from a Kaiju menace, one of their own must give themselves up to the goddess of vengeance. With Project Nemesis and Project Maigo, Jeremy Robinson created a new literary subgenre known as the 'Kaiju Thriller,' a term now being adopted by other authors. With movies such as Godzilla and Pacific Rim treating audiences to new Kaiju stories, Robinson has single-handedly launched the fiction world's bestselling original Kaiju series (not based on a pre-existing film). In Project 731, we not only see the return of Hawkins, Lilly and Joliet from Island 731, we learn how the reborn Maigo has adapted, and—at last—discover the origins of Nemesis!
