Joanie Bigbee, cupcake baker extraordinaire, likes to keep her options open—and she's good at it. She's started and sold some 30 businesses in her postage stamp-sized Tennessee town, and at the moment she can be found in a short skirt and go-go boots, selling cupcakes out of the back of a converted Volkswagen van. What she moves on to next is anybody's guess. She knows better than to be tied down. In any way. She's watched every woman in her family fall head-over-heels, only to find themselves wondering how to pick up the pieces when love is lost.

When Nick Dalton shows up at the groovy cupcakery, all Joanie wants is a taste; a fling with no strings suits her just fine. But for Nick, a bite is not enough; he wants the whole cake: a big house, a family, true love. But love only makes you stupid, right? Joanie has to decide whether to follow where her free-spirit leads...or hold on to the sweetest thing she's ever known.
