Anselm of Canterbury and the Desire for the Word

Eileen Sweeney

Anselm of Canterbury and the Desire for the Word Eileen Sweeney

"Offers some highly illustrative examples of how authoritative writings, both scriptural and patristic, play their role in Anselm's endeavor to clarify the content of faith with the aid of reason. Sweeney is well informed about recent studies on different areas of Anselm's thought and makes good use of them. The work is carefully documented and well written...highly recommended to anyone striving to achieve a historically grounded understanding of Anselm's oeuvre." - *Journal of the History of Philosophy*
