Fantasy for Sale Sage Marlowe

What's the price of reality when a fantasy is for sale? Cam is young, sinfully sexy and willing to play without limits, a combination which makes him a fantasy turned to flesh for men and women alike—and he's for sale. Nate is curious when it comes to carnal delights but hasn't found the right man to explore his desires with. When a friend buys Nate a few hours of pleasure with Cam, it's not much of a surprise that Nate ends up intrigued. He keeps coming back for more and the attraction between them appears to be mutual but while Nate finds himself falling for the sexy hooker, Cam makes no secret of the fact that for him, sex is just a job. Determined to win him over, Nathan tries to show him that sex is about more than physical satisfaction but Cam's walls seem impenetrable until a dramatic event forces him to reveal some of his secrets and Nate begins to understand that Cam pays more than just the price for the reality behind the fantasy.
