Rock 'N' Roll Babes Linda Jaivin

What do the three funniest, sexiest aliens in the universe want from Earthlings? Sex, drugs, and rock 'n' roll, of course. Linda Jaivin, who staked her claim as the queen of close encounters with her bestseller *Eat Me*, introduces an even more eye-popping round of pleasure-seeking escapades with the extraterrestrials extraordinaire in *Rock 'n' Roll Babes from Outer Space*. Look out, because here come Baby Baby, the nymphomaniac and wannabe rock star; Doll Parts, the gutsy punk with an eye for Earth girls; and Lati, the turbo chick with a dangerous habit of mooning asteroids. Once they flee their dreary home planet to experience every hedonistic pleasure Earth can offer, their explosive misadventures become a cosmic tribute to Girl Power and a hilarious, unforgettable ride.
