The evidence obtained by Commander Carr, as the result of thirty five years of investigations, is submitted. We ask our fellow Christian Laymen to study that document and then give us their verdict. Something interesting; When Cmd. Carr tried to get his other book, "Pawns in the Game", printed, no one would do it. He was introduced to a printer, by trade, and he said, "find someone with an Electric Typewriter." So they did and they stayed up all night typing the book and so now we have it today. After the book was out, Cmd. Carr was run off the road into Lake Ontario and died. A friend of mine died recently and a letter was found, on this subject, and I found it good to add it here. First, this friend of mine was the printer and a friend of Comdr. Carr. To whom it may concern: I, named removed for surviving wife' sake, met Commander Guy Carr in 1954. He made the Canadian Navy his life career, retiring as a Commander. He was involved in the Intelligence Branch. During WWII he was a bodyguard to the Prime Minister of Canada, William MacKenzie King. He was at all the Big four Conferences, including Potsdam, Teheran, Yalta, and others. While at these conferences he saw a lot of strange documents. He tried to get "Pawns In The Game" printed. More than one printer was put totally out of business for trying to print this book. After meeting Cmdr. Carr, I helped him, through contacts that I had, to get the first edition of this book printed. In 1958 Cmdr. Carr died under mysterious circumstances. "Pawns in the Game" went out of print in the early 1960's. A group of patriots had it reprinted in the early 1970's. Upon the retirement of these patriots, Christian Patriots (CPA) of Boring, Or. has been printing this book. (And still is.) Click "CPA BOOKS" to view more books we have to offer.
