**Toms River: A Story of Science and Salvation (Chinese Edition)** Dan Fagin

Toms River: A Story of Science and Salvation tells that it is complex that a farming town develops into a cancer village with severe pollution and cancer. Who will turn the table on the way to protect pollution? Is it the enterprises which lead the economy, the individuals, media and environmental organizations reflecting social conscience or government with public power? The environment reporter Dan Fagin focuses on the village and investigates for 10 years to reproduce the whole story of the case about chemical pollution for unveiling the truth of the relationship between pollution and cancer.
