Avengers: Vision and the Scarlet Witch Steve Englehart, Bill Mantlo

The unlikely romance between the Vision and the Scarlet Witch was one of the Avengers' most famous storylines. Now, witness what happens when the two heroes finally get hitched and settle down in the suburbs! But if you think they're going to live the quiet life, think again! See how a match made in heaven led to a wedding in Limbo, and how a Halloween horror proves that there's still magic in their marriage! Plus: a golden age mystery with ties to the Witch's past is solved! The Vision bonds with his brothers in all but blood...but who is the Scarlet Witch's father? Marvel's oddest couple shows that home is where the heroes are! Guest-starring the Avengers and the Inhumans, versus Dormammu, the Grim Reaper and more!
COLLECTING: Giant-Size Avengers (1974) 4, Vision and Scarlet Witch (1982) 1-4

From reader reviews:

Wilma Hines:

What do you ponder on book? It is just for students because they are still students or the idea for all people in the world, what the best subject for that? Only you can be answered for that issue above. Every person has several personality and hobby for each and every other. Don't to be pushed someone or something that they don't want do that. You must know how great as well as important the book Avengers: Vision and the Scarlet Witch. All type of book is it possible to see on many options. You can look for the internet sources or other social media.

Nancy Hedrick:

As people who live in the actual modest era should be change about what going on or information even knowledge to make all of them keep up with the era that is certainly always change and progress. Some of you maybe will certainly update themselves by studying books. It is a good choice for yourself but the problems coming to you is you don't know what kind you should start with. This Avengers: Vision and the Scarlet Witch is our recommendation to cause you to keep up with the world. Why, since this book serves what you want and want in this era.

Teresa Spillman:

Nowadays reading books be a little more than want or need but also get a life style. This reading practice give you lot of advantages. The advantages you got of course the knowledge the particular information inside the book in which improve your knowledge and information. The information you get based on what kind of book you read, if you want drive more knowledge just go with training books but if you want experience happy read one with theme for entertaining for instance comic or novel. The actual Avengers: Vision and the Scarlet Witch is kind of reserve which is giving the reader unpredictable experience.

Manuel Rose:

Are you kind of active person, only have 10 or perhaps 15 minute in your day time to upgrading your mind skill or thinking skill perhaps analytical thinking? Then you are experiencing problem with the book in comparison with can satisfy your small amount of time to read it because this time you only find reserve that need more time to be examine. Avengers: Vision and the Scarlet Witch can be your answer given it can be read by you actually who have those short spare time problems.
