Career Criminals in Society

Matt DeLisi

Career Criminals in Society Matt DeLisi

Career Criminals in Society examines the small but dangerous group of repeat offenders who are most damaging to society. The book encourages readers to think critically about the causes of criminal behavior and the potential of the criminal justice system to reduce crime. Author Matt DeLisi draws upon his own practitioner experience, interviewing criminal defendants to argue that career criminals can be combated only with a combination of prevention efforts and retributive criminal justice system policies.
