The definitive approach to achieving long-term school improvement

Bestselling author Frank Crowther makes a compelling case for capacity building and parallel leadership as the keys to ensuring sustainable improvement. Based on a study of how school leaders collaborated to enhance quality in their workplaces, this book:

- Outlines six research-based dynamics for accomplishing lasting results
- Provides real-life examples of successful parallel leadership among school staff
- Demonstrates effective capacity building in multiple settings

Everything you need to build a successful and sustainable plan that is rooted in enduring principles is right here, complete with practical examples and proven tools.
