You know that really cool person you meet and instantly you want him to be your best friend? Yeah, that's me! I was born in February of 1982; I'm sure it was cold and stormy. I'm originally from Maine—Northern Maine, to be more specific—and now reside in the southern part of the United States. I have been working with relationships most of my life; I've been that friend that all my friends run to with their relationship issues. So, after a little peer pressure, I thought I'd put it all into a book. I'm not a doctor or a psychologist or even a marriage counselor. What I am is a really good-looking guy who just happens to know a little bit about relationships, and I feel obligated to pass that knowledge on to you.
