## **Singularity (Star Carrier, Book 3)** Ian Douglas

Humankind's vast intergalactic power struggle and future war to bring down an insidious evil alien empire reaches an explosive, page-turning climax in Ian Douglas's *Singularity*, the third book in his *New York Times* bestselling *Star Carrier* series. Blisteringly exciting military science fiction in the vein of the hit TV series "Battlestar Galactica," *Singularity* pits determined space soldiers against a powerful race of creatures bent upon the total annihilation of a human race on the brink of technological transcendence. A notable descendant of such classic military sf novels as Joe Haldeman's *The Forever War* and *Starship Troopers* by Robert Heinlein, *Singularity* will not disappoint author Douglas's every-growing legion of fans as it conquers Jack Campbell, Rick Shelley, John Ringo, David Sherman and Dan Cragg loyalists as well.
