When Clare gets caught pulling another school prank, the dean is not laughing. So when he takes her to his office, Clare knows that he wants to teach her a lesson. But what starts out as a simple punishment, soon becomes something more erotic. Now he has her bent over his knees, his hand sliding up her bare thighs and Clare is about to get a very hard lesson when she gets spanked at school.

From the book:

“Stand up here for me, Claire.” His voice was kind, but it was definitely not a request. “We’re not finished with your discipline.”

“Yes.” I couldn't keep the grin from my face. “Yes, sir.”

I stood, taking a moment to make certain that my legs weren't wobbly. My panties, which he had only pulled down over my thighs, I let fall to the floor.

He smiled at me warmly when I let them fall.

“That’s a good girl, but I want a bit more.”

For Adults Only: This erotic story (about 5,000 words) includes descriptions of sensual sexual situations including multiple orgasms, oral sex, and more. It is intended only for adults over the age of 18 and all characters are represented as 18 or over.
