The First Americans (Chester the Crab's Comics with Content Series) Bentley Boyd

Chester the Crab meets the first people to live in North America. He traces the cultures of the Anasazi and Pueblo in the Southwest, the Nootka and Kwakiutl in the Northwest, the Plains Indians in the Midwest, the Mound Builders in the Mississippi and Ohio river valleys and the Iroquois in the East - and their clash with European settlers and explorers! And he tells you who Pocahontas really married. This funny, colorful graphic novel will excite reluctant readers, prepare students for standardized tests in history and help homeschooling parents!
