Confidence, peace, and abundant life--we all long for these things. But in this life-changing book, author and renowned pastor Dr. Creflo A. Dollar challenges readers to stop wishing for a satisfying life. Instead, Dr. Dollar proclaims, we should be claiming the success that God promises today. We do not have to be defined by past failures or mediocrity; we must move forward into the richness available to us right now. God has glorious plans for each of us, and all we have to do is take hold of them.

"If you don't like the way you feel," says Dollar, "you've got to change the way you think." By taking manageable steps along the way, each of us can achieve life to the fullest--until it overflows.
