An Outline of the Republic: A Novel Siddhartha Deb

Intrigued by a disturbing photograph of a woman, a young journalist in Calcutta embarks on a quest to learn the story behind the violent incident captured on film - a strange odyssey that leads him to a volatile remote corner of India mired in civil strife and sustained by timber, drugs, and guns. Yet the truth he hopes to uncover is as uncertain as the mysterious woman he seeks, smoldering dangerously on the border between illusion and reality.
