For the past six years, Quinn has looked forward to the day when she would finally have her revenge against the vampire who slaughtered her family. What she never expected is for that vampire to walk into Clint's bar and unleash terror and death on her small desert town. With more people dying every day, Quinn realizes she must delve deeper into her power than she's ever wanted or dared to before in order to save her loved ones. As new enemies and allies arise and good friends are lost, Julian will do whatever it takes to keep Quinn from the clutches of the vampire who stalks and torments her. Even if it means becoming the vampire he once was and swore he'd never be again.
