For over ten years big Healeys, from the 100/4 to the 3000 Mark III were a force to be reckoned with on the track - at Sebring, Le Mans, in the Mille Miglia and in club competition - and, particularly, on the rally stage. Later the Jensen Healey too was raced by a small but dedicated band of drivers. This book looks at the competition history of these remarkable sports cars in rally, race and record attempt, including the competition history of many individual cars and the the works cars. This carefully researched title sheds new light on the still-glittering glories of the Big Healeys.
