## Ms. Quixote Goes Country: Raised on the Marxist Frontier L. E. Vega

Why take L.E. Vega's novel seriously? The truthful and eccentric novel "Ms. Quixote Goes Country - Raised on the Marxist Frontier" is a testimony inspired by the tragic death of Freddie Prinze, Sr. The main character in the novel, city slicker Joanna Lee Colinas, nicknamed Joalee, hikes to battle current unhealthy real life American Gulag windmills. One of L.E. Vega's recurring literary themes, also present in "Ms. Quixote Goes Country", is that instead of stagnating in the Anti-American or Anti-This or Anti-That mind frame, the answer is to find peaceful alternatives in order to correct the deficiencies. Installing new alternatives places Joalee ahead of her time, and yet in a lonely place and category. In a satirical fashion, Joalee dons on a Quixotesque knightess armour, a symbol of her gentle female strength. Joalee prepares to combat being weighed down by today's escalating enigmas and human division. The novel takes the shape of an endearing cubist journal with tinges of an imaginary island, Pracee, a symbol for the tropical island of Puerto Rico, and still a place that seems socially warped. With echoes of growing up in a politically punctured family, L.E. Vega's novel illustrates in humorous Quixotesque fashion the acquisitive agenda concocted by Joalee's stepfather in order to impose on her Mr. Freddie Prinze Sr.'s calvary. Joalee, though, is heartened by Mr. Freddie Prinze, Sr. himself, who comically appears to her as a Knight Blueprint while she washes some bird poop off her Ms. Quixote armour at the country creek. Like a Jean Jacques Rousseau wading through a Gauguin painting, "Ms. Quixote Goes Country - Raised on the Marxist Frontier" presents sketches of the still existing national uncertainty where Joalee reckons that she and Mr. Prinze, Sr. converge. For more information about the novelist, and to read about her upcoming books or events, you may visit the author's website, LEVega.Net, or visit Ms. Quixote on Facebook.
