From the time that pages of *The Saint John's Bible* began touring in major exhibitions nearly a decade ago, people have been moved, captivated, and inspired by this stunning work of modern sacred art. But they often have questions about the illuminations that are scattered throughout the Bible, especially as they first become familiar with it. Why was a certain Scripture passage chosen for illumination rather than another? What materials and source imagery are behind the illuminations? *The Art of The Saint John's Bible* provides answers to these important questions and many others.
