His Victims. . .

A woman is frantic as she awakens in a dark, closed space. From above her comes the muffled sound of cruel laughter, followed by the hard splatter of dirt. Pure terror takes over as she realizes she's being buried alive--and her last breath is a scream that no one but a sadistic killer will hear. . .

Will Take His Secrets. . .

To journalist Nikki Gillette, this disturbing story is a ticket out of small-town Savannah and on to the big time. She's already given the killer a nickname--The Grave Robber--and she's spending every minute dogging tough cop Pierce Reed's investigation, trailing him through Savannah's deep thickets and crumbling cemeteries. . .even though she's starting to wonder about the secrets he's keeping. . .

To The Grave

Another body is found. And another. Each gruesome discovery unnerves Nikki a little more. . .there's something familiar about it, something she should know. Now, as a serial killer pulls her ever deeper into his sick game, she has no idea how close she's getting to the truth--or how deadly it will be. . .
